Subject: Request STATUS UPDATE Hollywood Media District BID Missing two (2) Trees Highland/Willoughby

Dear Kelly:

I was informed that you will be getting back to me regarding the **two (2) missing trees that were chopped down on June 16th/June 17th in our Hollywood Media District BID**. These two (2) trees were not authorized to be removed by our Business Improvement District nor were we notified of a removal by the City or property owner. These trees were planted and cared for our BID - can you please advise as to what happened? Further more the stubs after the trees were removed were not removed (aka grounded out).

Looks forward to your response.

Thank you

Lisa Schechter
